Office of Agricultural Instruction,
U. S. Department of Agriculture.

LIST OF SOURCES OF ILLUSTRATIVE MATERIAL,

PROJECTION APPARATUS, AND SUPPLIES.

This list has been prepared by the Office of Agricultural Instruction, U. S. Department of Agriculture, for the convenience of teachers of agriculture in schools having proper facilities for the use of illustrative material. The list of dealers or distributors is not complete, but no discrimination is intended if the name of any has been omitted. The slides and films listed pertain to agriculture and closely related subjects. The Department assumes no responsibility for the form of presentation or subject matter of material supplied by any of the outside agencies included in the list.

Obtainable from the U. S. Department of Agriculture,
Washington, D. C.
